PCS REUSABLE CLEANROOM LAUNDRY SERVICES GARMENTS - MOPS - GOGGLES

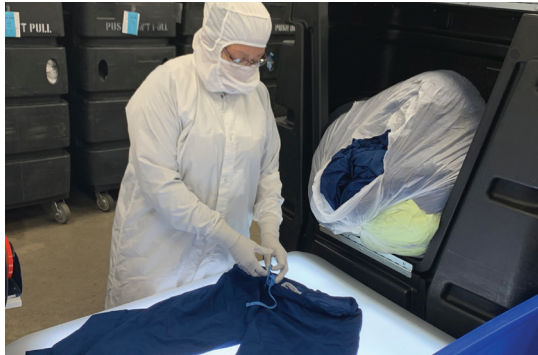

DEDICATED TO CRITICAL ENVIRONMENTS

Prudential Cleanroom Services, a world leader in cleanroom laundry service systems, is committed to Portland and the Pacific Northwest! The new state of the art Cleanroom Laundry Processing Plant is a 73,200 square-foot commercial laundry facility that sits on over four acres in Hillsboro, Oregon and supplies service to all of the Pacific Northwest. The NEW \$20 million site employs eighty-seven (87) full time employees. This State of the Art facility is the cleanroom industry's most modern, newest and largest cleanroom processing plant in the United States, possibly the world! Prudential is excited to bring the most customer centric cleanroom processing facility to Portland and extending through the entire Pacific Northwest!

Since 1960, Prudential Cleanroom Services (PCS) has provided cleanroom apparel services. From these beginnings, Prudential has developed into an internationally recognized source for bio-science, pharmaceutical, medical device, semi-conductor, aero space, and other companies manufacturing and operating in controlled environments. PCS specializes in cleanroom garment processing services for aseptic, particulate & ESD controlled environments. All PCS plants fold, package and hermetically seal each finished item in an ISO Class 3 cleanroom. PCS remains committed to satisfying our customers' evolving requirements throughout North America and Puerto Rico.
